Holds First News Conference Since Recent Illness

WASHINGTON OF - President Eisenhower said today he thinks reasonable amount of red ink inancing would be far preferable

to any increase in taxes.

The President, in his first meet ing with reporters since last Oct, 30, stuck to his belief that there will be a business upturn this year that will keep the new budget balanced. But he conceded that Con-gress might vote additional expenditures and thus force federal over his projected goal of \$73,900,000,000.

THE PRESIDENT, who suffered a mild stroke Nov. 25, appeared to e in an amiable, easy mood.

He said he felt fine. The President said that while had not actually considered esigning in connection with his November illness, he would have no recourse but to quit if he ever felt or was told by a group of eminent doctors that he was not up to doing his job.

## Busy Imperial County Deserves Attention

We believe that attention should once again be called-and congratulations extended-to our fine neighboring county to the south. Busy hands are once again harvesting the annual multi-million dollar early vegetable crop in Imperial Valley.

Eastern visitors to Palm Springs could gain a fine education if they were to take a few days and watch this tremendous operation "Bread Basket," without which their friends and families "back home" would be placed in very uncomfortable circumstances.

Here they would see a \$17,000,000 lettuce crop being harvested to fill the nation's salad bowls for the next six months. Also, the lacy-green tops of hundreds of acres of carrots, the harvesting of which will also take place around the first of February.

and trouble to drive off the main road- did.

ways and through the irrigated backcountry fields, they will observe Imperial's \$4,000,000 tomato crop ripening; also cabbage, garlie, onions, broccoli, romaine, potatoes, mustard greens, cantaloupes, squash, cucumbers, watermelons, asparagus and green corn. Acres of cotton and alfalfa intermingled with these thousands of acres of growing foodstuffs, will complete this never-tobe-forgotten picture of busy people at work helping to do their part in the never-ending process of feeding a nation of busy, well-fed Americans.

So once again we are pleased to offer this reminder of the fact that our beloved Desert is good for a lot more than just lolling in the warm sun and spend-

ing lazy days around a sparkling pool. Take along your camera and make a permanent record of this tremendously busy county at work-WHILE YOU And for those who will take the time PLAY AND REST-you'll be glad you '

Your cooperation in our efforts to control the traffic problem in California during the December holidays is sincerely appreciated.
The professional enforcement program against the drinking drivers was very ably supported by the extensive public informa-tion program conducted by the

news media and public support

Provisional reports indicate 27 persons were killed in traffic over the two 30-hour holiday periods, 12 at Christmas and 15 at New Years. These figures represent a decrease of 18.1 per cent for the two periods, 25 per cent for Christmas, and 11.7 per cent for New Years compared to the same periods in 1956. California did not lead the nation in the number of traffic deaths during either of the holidays although vehicle registrations indicate we had the greatest volume of traf-

## Home From Las Vegas Honeymoon

Home from their honeymoon trip to Las Vegas, Mr. and Mrs Carl Augustus Barrett Jr. are at home in Palm Springs. The bride was the former Audrey Thelma Krueger, and a white Christmas tree trimmed with white hearts and wedding bells decorated the family home at 30-989 San Antonio when the two exchanged their vows at a pre-Christmas wedding on December 20 which was also the birthday of the groom's father, Carl A. Barrett

Daughter of Mr. and Mrs. Walter J. Peter of Palm Springs, the bride was given in marriage by her father. For her wedding the bride chose an all nylon lace dress, ballerina length with a scoop neckline, and a crown embroidered in seedpearls held her fingertip veil. She carried an orchid and her jewelry consisted of two strands of pearls and pear earrings, which had belonged to her grandmother, and a diamond watch, a gift of the bridegroom.

Vivian Krueger, a sister-in-law, and Donna Dueker, a girl - hood friend, both of Corona, were her attendants. Carl Derbonne of Palm Springs and Ernest Crutcher served as best men.

A beautiful three-tiered wedding cake was made by the bride's cousin of Norco, and after the first piece was cut by the couple. it was served by the bride's mother, Mrs. W. J. Peter. Mrs. John Weik, aunt of the bride, pre

aided at the punch bowl.

The groom's only brother, Bailey, M. Barrett, and son Berton, motored down from Salem, Ore-gon, for the wedding.

For her going away outfit, the new Mrs. Barrett chose a tan-gerine two piece knit suit with white accesoriese. The newly mar-ried couple boarded the plane at Palm Springs and spent their honeymoon at the Flamingo Hotel
